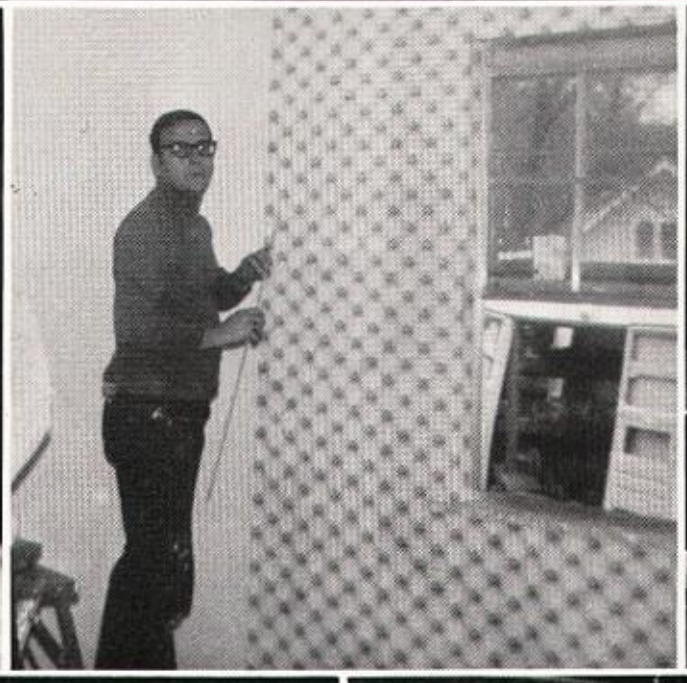
WITH GREAT DEDICATION



It gives the 1971 Annual Staff great pleasure to dedicate their annual to the music instructor of Gridley High, Mr. Peter R. Zwall.

"Pete", as he is known to his friends, has accomplished much in his two years at Gridley. He has sponsored the 1971 senior class as both juniors and seniors. He takes the marching band to numerous parades, performs with his glee clubs for many public functions, takes groups to state contests, works with the triple trio, gives private piano lessons, and conducts the Community Christmas Cantata. Mr. Zwall and his family have also added to the community by building a new home in Gridley.

For these contributions, we are grateful and hope Mr. Zwall will stay in Gridley for many years to come.

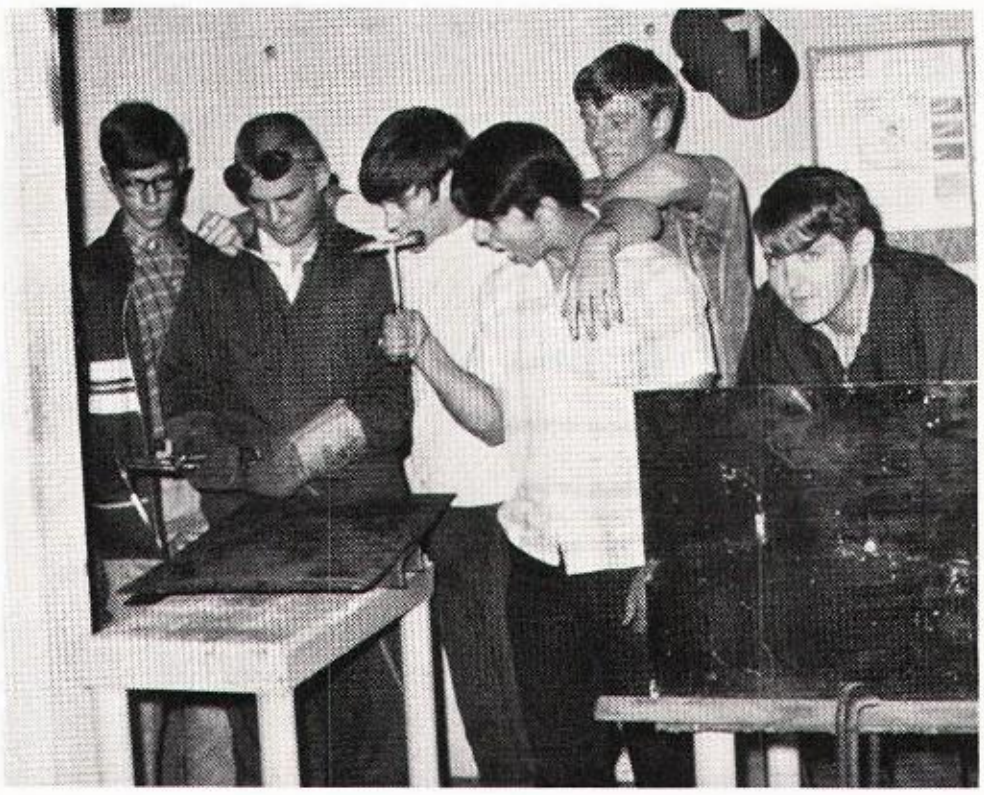
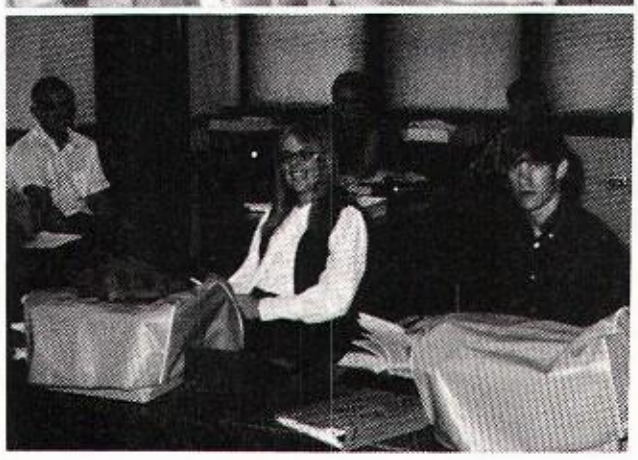
SENIOR CLASS HISTORY



The school year of 1967-1968 began with seventeen freshmen. They were Mary Bahr, Beverly Beyer, Bonnie Birk, Linda Birk, Sandra Birk, Jane Dewey, Ron Dyke, Elsie Hursh, Esther Hursh, Glen Isch, Jim Kraft, Charles Maclaskey, Jeanice McReynolds, Julie Strahm, Jerry Wiley, Art Williams, and Richard Wyble.



Greg Arnold joined the class at the beginning of the sophomore year. Jane Dewey and Bonnie Birk left at the end of the year. This made a total of sixteen sophomores.

At the end of the junior year Richard Wyble left, leaving fifteen juniors. Rick Turner came at the beginning of our senior year and left at the end of the first semester.

Fifteen seniors received their diplomas in May, 1971. They were: Greg Arnold, Mary Bahr, Beverly Beyer, Linda Birk, Sandra Birk, Ron Dyke, Elsie Husrh, Esther Hursh, Glen Isch, Jim Kraft, Charles Maclaskey, Jeanice McReynolds, Julie Strahm, Jerry Wiley, and Art Williams.

SENIOR WILL

I, Greg (Bill) Arnold, will my great speed and athletic ability to Randy Kraft. Make good use of it Randy.

I, Mary Bahr, will my ability to get along with the teachers to Donna Somerhalder. Just smile and keep the wool pulled down over their eyes.

I, Bev Beyer, will to Richard Beyer my clarinet. Don't let it squeak much, he might hear you.

I, Linda Birk, refuse to will anything, yet. I'm too young to die. I merely request an indefinite leave of absence.

I, Ron Dyke, will my ability to get through high school in four years to anyone who needs it.

I, Elsie Hursh, leave—isn't that enough?

I, Esther Hursh, will to David Schneider my ability to keep my mouth closed during classes and at other times.

I, Glen Isch, will to the junior class, a barrel of Scope for ?? (guess who!). Once in the morning does it.

I, Jim Kraft, will my ability to be football manager to Ray Beyer. It takes a lot of skill, Ray!

I, Charlie Maclaskey, will Leland Kraft to Mr. Book. You be nice to him Paul, and he will be easier on you.

We, Jeanice McReynolds and Sandra Birk, will to next year's chemistry class our ability to make Mr. Ochs talk to the file cabinet. Get a large supply of tranquilizers on hand, Dr. Dudelittle.

I, Julie Strahm, will my position as photographer of the Annual Staff to Nancy Guisinger. Be sure to OBSERVE every scene Nance, some are pretty wild! But it IS fun!!

I, Jerry Wiley, will my title of SHOP ASSISTANT to David Guisinger. Be careful not to "kiss the wrong woman", Dave.

I, Art Williams, will to Roger Redding my ability to tell dirty jokes in Current Problems. Be careful not to get them too gross.

We, the senior class, will our sponsors, Mr. Ochs and Mr. Zwall, to our faithful janitor. "They're badly in need of repair, Lou, but a fresh coat of paint should do the trick."

We also will to the junior class the priviledge of being a Senior. Once you're a Senior you can do anything! (as long as it's okayed by the principal, the superintendent, the school board, etc., etc., etc.)

The unified band performed at the Burlington and Hutchinson fairs; the LeRoy and Buffalo Homecomings; and the Neewollah parade at Independence. The Gridley band played for home football and basketball games. They also performed at the Gridley homecomings.

This year the majorettes were as follows: Lynne Raaf, Freshman; Jeanice McReynolds, Senior; and Debbie Kraft, Freshman. They attended majorette camp at Kansas State University in the summer to prepare for the band performances.

Miss Linda Birk, Senior, was drum majorette for the 1970-71 school year. She led the band in all parade performances.

YELLOW JACKET STAFF

The 1971 Yellowjacket staff, composed of seniors and juniors, and fellow students began our year by selling advertisements. We wish to thank the businessmen and patrons who helped us so generously by buying advertisements. Also, thanks to Mrs. Ada Beyer, Mrs. Esther Birk, Mrs. Nellie Birk, Mrs. Marjorie Hursch, Mrs. Norman, Mr. Ochs, and Mr. Strawn, who sponsored us on this trip. The top salesmen for the day were Greg Arnold, Mary Bahr, Beverly Eccles, Randy Kraft, and Jeanice McReynolds.

As you read through the pages of this annual, you'll see the spirit of 1971 pictured in our activities, sports, features, organizations, administration, faculty, and student body with all of their varied abilities. We hope this annual shows where we've been and what we've done.

The annual staff is appreciative for the cooperation of the faculty and the administration. We especially want to thank Mr. Ochs for his assistance with the photography. We hope everyone enjoys this annual, a book of which all are a part.

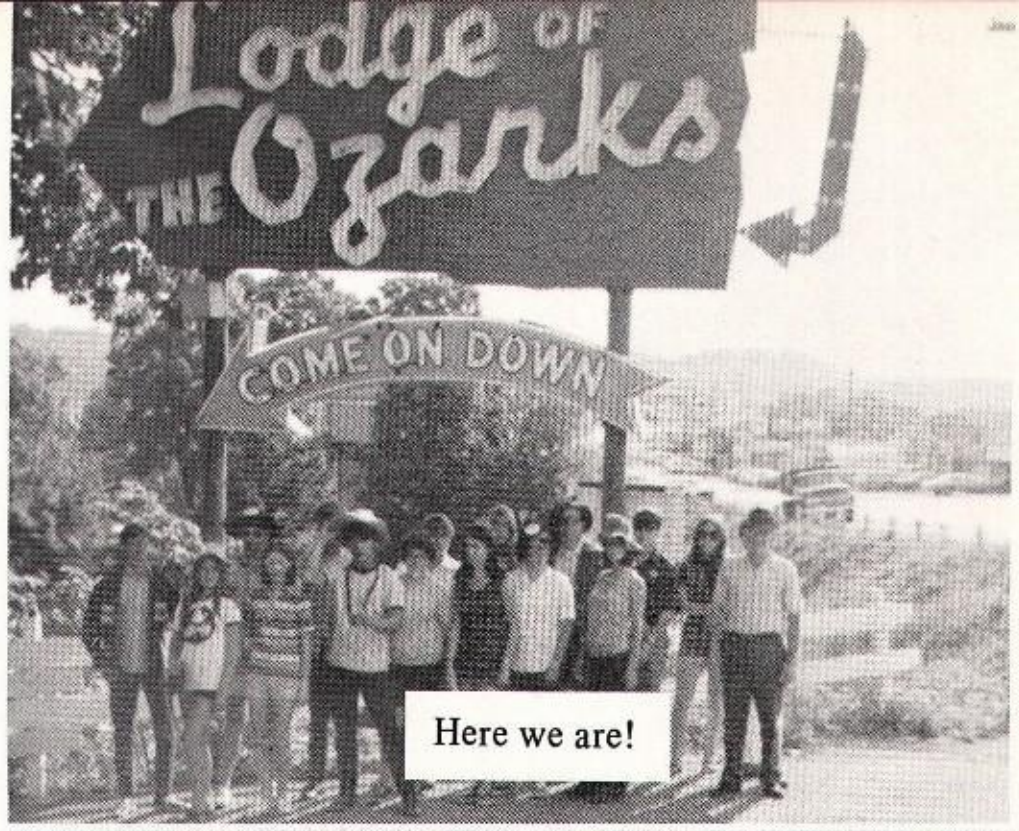
SENIOR TRIP

At 6:00 a.m., May 12, 1971, the Senior Class of Gridley High School left for the Lodge of the Ozarks, south of Bagnell Dam. Fourteen class members, and sponsors, Mr. and Mrs. James Ochs, Mr. Lewis Kraft, Mr. Peter Zwall, set out for three days of fun. They arrived at the lodge about 12:00 and were greeted with a welcoming speech. The rest of the day was spent visiting Dogpatch, curio shops, various sports, and dancing. Each night the lodge sponsored a dance, and a weiner roast which was enjoyed by all.

On May 13, the day was spent swimming, touring shops and various places, and playing miniature golf. After dinner that evening, the class departed for a trip on an excursion boat, the "Larry Don." The excursion lasted two hours. The group enjoyed dancing to a live band.

On May 14, the seniors visited the Arrowpoint cave. After the tour through the cave, several of the members of the class visited an aquarium. The afternoon was spent sunbathing, swimming, boating, airplane cruising and shopping. In the evening, all went to Lee Mace's Ozark Opry.

On May 15, the bus departed for home at 9:30 a.m. All the seniors left the lodge with mixed feelings. It was a happy time, and it will always be a wonderful memory of our high school days.



Here we are!

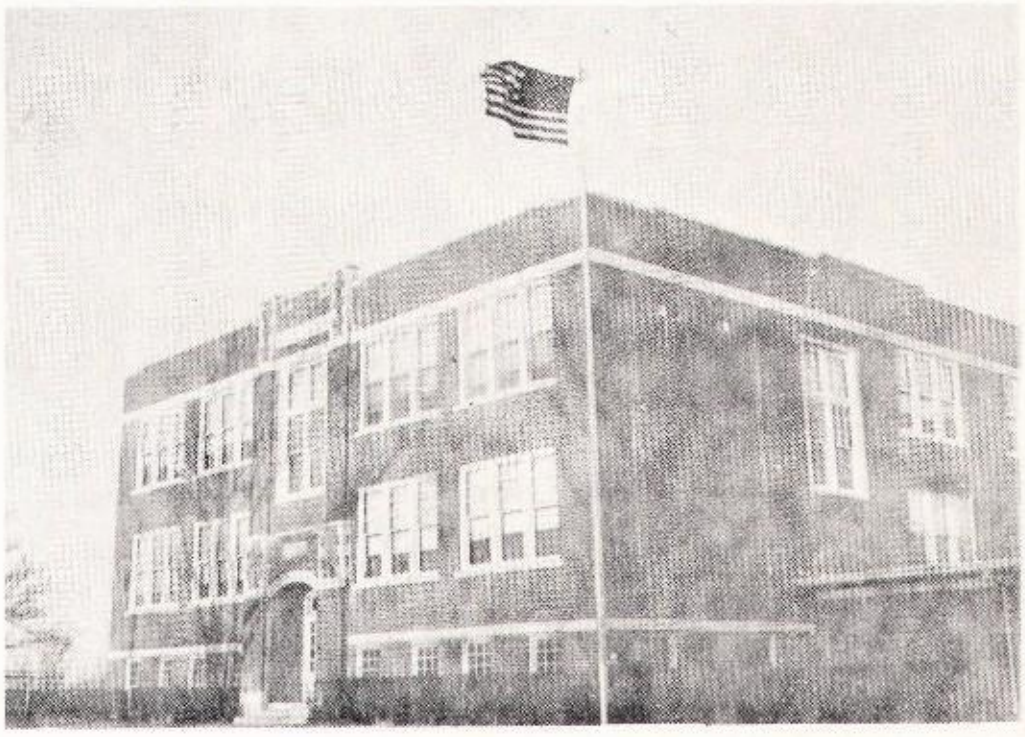
–AND SO–THE LAST WORD



–And so– the close of another school year. Seniors realize the excitement of high school is finished. However, ways to remember these times are through lasting memories and the 1971 Gridley Yellowjacket.

Within these pages, we have tried to capture a school year of student life. We have also tried to present its greatness, its frustrations, its joys, and its sorrows. These objectives help to create a lasting, meaningful image of Gridley High School, 1970-71.

The constructive staff members, with the help of their sponsor, have spent hours of sharing new ideas and enthusiastic labor to produce this book.

We hope that the time involved in the preparation of this book will bring back pleasant thoughts to every student involved in the active family of Gridley High School.
